Dear Mr. Olson:

This letter is to acknowledge the receipt of your letter of 25 March 1969. I apologize for not answering sooner but my work makes slightly more demands on my time than a normal 8-5 job.

As far as I am concerned, I sold all rights to my third photograph to LIFE. LIFE owns that picture totally and completely. You will have to contact LIFE in regards to that photo. They have the original negative.

As for your questions on my statement to the Dallas County Sheriff's Department, I am afraid I must beg off on answering any of them. It has been too long since the event in question and my memory on it is as stated in the statement.

Sincerely,

H.W. Betzner, Jr.
